REQUEST FOR COMPETITIVE OFFER DOCUMENTS

No.: 01.10/2020

Oversea-produced Coal with typical Net Calorific Value of 2,500 kcal/kg (NAR)

Package No.10: Purchase of Imported Coal for 10th time of 2020

(Package No. 10/2020)

I. ELIGIBLE SUPPLIER

1. Documents prove eligible Suppliers:

The Supplier has been granted an enterprise registration certificate (or equivalent document) issued by a competent authority (*certified copy*).

2. Supplier's Financial capacity:

- Financial statements for the year 2018 (audited) and 2019 (not required to be audited) to prove the Supplier's financial good standing (*certified copies*):

+ The net asset value of the Supplier in the year 2018 and 2019 should be positive (>0);

+ Annual profit after tax of the Supplier in the year 2018 and 2019 must be positive (>0).

- From 2018 to 2019, the Supplier successfully supplied in Vietnam total quantity of coal equal to or greater than VNCT's required quantity as mentioned in this document. The Supplier must submit one of the below documents to prove that they successfully supplied coal:

+ Purchaser's confirmation letter (*certified copy*);

+ Bill of Lading (*certified copies*).

(In case the Supplier's name is not mentioned as shipper on the Bill of Lading of any shipment, certified copies of Certificate of Origin issued by the competent authority for the said shipment must be provided)

II. TECHNICAL REQUIREMENTS

1. Name of commodity: Oversea-produced coal with typical Net calorific value of 2,500 kcal/kg (NAR).

2. Price: The lowest quoted price is preferred. Nevertheless, VNCT shall remain the rights to have the final decision of choosing the Supplier.

3. Coal specification: 

- d) The vessel are capable of self trimming, single deck bulk carriers having a security system and associated security equipment necessary to comply with ISPS Code, all in safe and good working order;
- e) The vessel should not more than 20 years of age (the age being calculated from the year when the vessel was launched until 2020), unless agreed by VNCT in writing;
- f) The Over the Age Premium (OAP) shall not apply to vessels under 16 years of age. For vessels over 16 years old, the Over the Age Premium shall be borne by the Supplier;
- g) The vessel should be fully covered by P&I throughout the duration of the voyage by a member of the international group of P&I club, or other P&I club acceptable to the charterer as the case may be;
- h) The vessel should comply with the regulations on sanctions of the US, the United Nations and other countries and territories; comply with ISPS Code, domestic and international maritime regulations;
- i) The vessel should not have nationality of embargoed countries and territories;
- j) The vessel is compliant with all Legal Requirements at the Discharging Port, pertaining to the passage to the Discharging Port, and at the Discharging Port.

12. Discharging rate: maximum 8,000 MT/day for 24 consecutive hours (including holidays, Saturdays and Sundays);

13. Waiting time of vessel for high tide: Waiting time of vessel for high tide to enter berth/working anchorage shall not be counted as laytime.

14. Waiting time of vessel for obtaining free pratique: Waiting time of vessel for obtaining free pratique shall not be counted as laytime.

15. Despatch/Demurrage rate: should be in line with the international freight market at the time of vessel nomination but in all cases shall not exceed USD 7,500/15,000/day.

16. Payment terms: Letter of Credit at sight (LC at sight).

17. Inspection at loading port to be carried out by: SGS or equivalent reputable international inspection organization.
